## Simple Garter stitch knitted cloth

Using 4mm needles and King Cole Cottonsoft.

---

First cast on 36 stitches. (CO 36)

**Row one:** Turn and knit each of the 36 stitches. (K 36)

**Row two:** Turn and slip the first stitch then knit the remaining 35 stitches. (sl st and K35)

**Rows three to sixty:** Same as row two.  
(sl st and K35)

**Row sixty one:** Cast off row. (CO 36)

To cast off knit first two stitches. Insert left hand needle into the first stitch on the right hand needle and lift that first stitch over the second stitch (one stitch remaining on right hand needle and one has been cast off). Knit next stitch so that you have two on the right hand needle again and lift the first stitch over the second stitch as before. Repeat to the end of the row.

At the end of the row cut the yarn and pull through the last stitch. Sew/weave in your beginning and finishing ends.

Enjoy your cloth!

# About Yarndale

Celebrating the joy of yarn in all its forms, Yarndale is a vibrant and inspirational festival which has taken place at the end of September each year since 2013.

This creative festival celebrates all things woolly and wonderful, showcasing and supporting a creative mix of retailers, manufacturers, craft workers and artisans from across the country and Europe.

The festival is designed to encourage the sharing of skills and inspire visitors to celebrate all things handmade and get creative with yarn.

Yarndale also raises both awareness and substantial funds for many local and national charities each year by providing a creative challenge to the Yarndale community.
