Stitches used in this pattern. UK terms throughout.

- **sl st (slip stitch)** - This is used to join new yarn. Usually at the start of a round. Insert hook into where you are going to slip and yarn over then pull the loop back through the stitch (or chain space) and pull the loop through the loop on your hook.
- **ch (chain)** - Yarn over and pull through loop on the hook. Creates a chain.
- **tr (treble)** - Yarn over. Insert hook through stitch, yarn over and pull the loop back through the stitch. You will have 3 loops on your hook. Yarn over and pull through 2 loops on your hook. Yarn over again and pull through the remaining 2 loops.

Make Along with Emma

Talking Grannies | The Wharfedale Square

Our take on a target square. Using a 4mm hook and any DK yarn. Emma uses West Yorkshire Spinners Croft. Using UK crochet terms.

To start: Make a slip knot and **ch4**. Join to make a circle.

Round 1: In this round you will be working into the middle of the chain circle. **ch5** then ***3tr, 2ch*** into the chain circle 3 times. **2tr** and join with a sl st into the space between starting ch5 and first 3tr cluster. Fasten off.

Round 2: Join new yarn with **sl st** in any corner 2ch space and **ch6** then **2tr** into the same corner space. ***1tr** into the top of each tr from round 1 (3 in total). In next corner space **2tr, 3ch, 2tr*** Repeat ** 2 times.

1tr into the top of next 3 tr then **1tr** into the first corner of this round next to the starting ch6. Join with a **sl st** into the corner space created and fasten off.

Round 3: As Round 2 but more trebles across each side. In this round you are working into the top of 7 tr so you will end up with a total of 11 tr across each side.

Join new yarn with **sl st** in any corner 2ch space and **ch6** then **2tr** into the same corner space. ***1tr** into the top of each tr from round 2 (7 in total). In next corner space **2tr, 3ch, 2tr*** Repeat ** 2 times.

1tr into the top of next 7 tr then **1tr** into the first corner of this round next to the starting ch6. Join with a **sl st** into the corner space and fasten off.

Round 4: As Round 3 but even more trebles across each side. In this round you are working into the top of 11 tr so you will end up with a total of 15 tr across each side.

Join new yarn with **sl st** in any corner 2ch space and **ch6** then **2tr** into the same corner space. ***1tr** into the top of each tr from round 3 (11 in total). In next corner space **2tr, 3ch, 2tr*** Repeat ** 2 times.

1tr into the top of next 11 tr then **1tr** into the first corner of this round next to the starting ch6. Join with a **sl st** into the corner space and fasten off.

To finish sew in ends with a darning needle.
