## Stitches used in this pattern. UK terms throughout.

- **sl st (slip stitch)** - This is used to join new yarn. Usually at the start of a round. Insert hook into where you are going to slip and yarn over then pull the loop back through the stitch (or chain space) and pull the loop through the loop on your hook.
- **ch (chain)** - Yarn over and pull through loop on the hook. Creates a chain.
- **dc (double)** - Insert hook through stitch, yarn over and pull the loop back through the stitch. You will have 2 loops on your hook. Yarn over and pull through both loops on your hook.
