## Cotton Cloth

**Using cotton yarn and a 3.5mm hook.**

UK crochet terms.

ch = chain

sl st = slip stitch

dc = double crochet

---

**To start** chain 33 using main colour.

Row 1: dc in 2nd ch from hook and in each ch to the end (32 sts), turn.

Row 2: ch1 (doesn't count as a stitch) then dc in each dc of previous row to end (32sts), turn.

Rows 3-34: as row 2. Fasten off.

### **Border**

Make sure the cloth faces you with the rows running from right to left.

The border is going to start in a corner and work across parallel to the rows, then down the side.

Across the bottom, then back up the side.

- Start in a corner by joining with a 1ch (doesn't count as a stitch) then 2dc, 2ch,
- 2dc in corner.
- Work 1dc in each stitch along edge until you reach the corner.
- 2dc 2ch 2dc in corner.
- This edge is a little different as you work 2dc clusters every other stitch.
- So pattern reads 2dc, miss stitch, 2dc, miss stitch to end.
- 2dc 2ch 2dc in corner
- Work 1dc in each stitch along edge until you reach the corner.
- 2dc 2ch 2dc in corner.
- Last edge is 2dc cluster edge again.

Enjoy your cloth!

# About Yarndale

Celebrating the joy of yarn in all its forms, Yarndale is a vibrant and inspirational festival which has taken place at the end of September each year since 2013.

This creative festival celebrates all things woolly and wonderful, showcasing and supporting a creative mix of retailers, manufacturers, craft workers and artisans from across the country and Europe.

The festival is designed to encourage the sharing of skills and inspire visitors to celebrate all things handmade and get creative with yarn.

Yarndale also raises both awareness and substantial funds for many local and national charities each year by providing a creative challenge to the Yarndale community.
