

YARNDALE 2026

The Festival of Yarn and Woolly Creativity

Skipton Auction Mart • North Yorkshire

YARNDALE

Championing all things woolly, we want to share our love of yarn and making with everyone.

We've worked with West Yorkshire Spinners to create our sumptuous, limited edition Yarndale colourways of the award winning WYS Signature 4ply Sock Yarn.

We're now delighted to be working with Sue Stratford Knits on a splendid book of patterns, **A Yarndale Flock**. This new collaboration includes beautiful patterns to make a range of your very own colourful sheepy things. We couldn't resist giving you all a Sheepy Hug on p25.

Along with lots of other lovely stuff, **A Yarndale Flock** is available in our shops in The Gather, at D1-2 and from Sue Stratford Knits at I23-24.

www.yarndale.co.uk

Welcome to our 14th Yarndale, a whole weekend to indulge in this sheepshed full of woolly wonder. The show is designed for everyone to enjoy every aspect of woolly making.

Take time to browse so much woolly stuff, explore every exhibitor's wares, listen to the talks, work on different techniques in the workshops and make the most of this chance to share skills in person, to chat with so many exhibitors and friends focussed on wool. Treasure this time, sit and make with us in the Making Space, hook some squares together, pick up mending tips and tricks, exchange knowledge and experience.

Explore the show alongside fellow friendly yarn folk and enjoy your journey home with heads spinning with ideas and plans for new projects and with loads of lovely yarny stuff.

Yarndale Team

If you need assistance one of our team in green t-shirts will be able to help you. Huge thanks to all of our marvellous volunteers who help us make this wondrous weekend happen.

The Yarndale Shop is in The Gather near the Littondale Entrance and at **D1-2** next to the Wharfedale Entrance.

Wellbeing

We hope you all feel comfortable in this airy, well ventilated venue. If you need somewhere calm to sit and take a moment out of the hustle and bustle of the show you are welcome to take a break in the Quiet Space in the Stirton Ring. Entrance opposite **C12**. Wear your facemask if you wish, respect others who may need space.

Oxfam Bag Crèche & Yarn Amnesty - I37-40

Oxfam Skipton run a bag crèche so that you can leave your bulky bags and coats leaving you free to enjoy the show. The bag crèche will close 30 minutes

before the end of the show so please collect your belongings in good time.

Oxfam also welcomes donations of yarn and haberdashery items to sell in their shop.

Please support Oxfam's vital work here today with a donation or by using the bag crèche if you can. Cash or cards accepted. The funds raised will go to saving lives and making a fairer world. Thank you very much for your support.

Refreshments provided by High Laithe Catering

High Laithe Café - near the Littondale Entrance - serving a breakfast menu throughout the morning plus a selection of homemade light lunches & cakes throughout the day. A range of coffee, speciality teas and cold drinks.

The Lairage - adjacent to the exhibitor stands in the pen area - High Laithe Café pop up plus a variety of street food.

Littondale Entrance - Cobble Kitchen with locally roasted coffee and cakes & High Laithe Café pop up.

OXFAM

Toilets

Toilets, including accessible toilets and handwash facilities can be found outside the Littondale and Wharfedale entrances.

First Aid and Meeting Point

For First Aid assistance please ask in The Gather or ask one of our team to contact First Aid.

Make your way to The Gather if you need somewhere to meet or if you have got separated from the rest of your group, let our team know and we'll help you reunite.

Yarndale Buses

- The Bus Stop is outside the Wharfedale Entrance.
- Buses run between the show and the train station. They will also stop on Gargrave Road near the Coach Street car park and on the High Street. Please ask the driver when you board if you need to stop before the train station.
- Buses run from the show to the Rotary Charity Car Park on The Bailey.

There are wheelchair accessible buses on both routes. These buses are free of charge. Donations are welcome for this year's chosen charity, UNICEF. Thank you.

Follow the Yarn

A gentle 20 - 30 minute stroll to the train station or town centre through Aireville Park. Follow the yarn and signs from outside the Littondale Entrance.

There are steps from the mart up to the college and then down into the park. At the end of the park, cross the canal and turn left along the towpath to head into the town centre, up the slope onto the bridge by Bizzie Lizzies. Or continue onto Broughton Road and turn left at Herriots for an alternative route. For the train station, head towards Broughton Road, turn left and cross at the crossing.

If you wish to return to Yarndale hop on the free shuttle buses running between the train station and the Mart. The train station is approximately 10 minutes walk from Skipton town centre.

You can find a plan on pages 28-29.

- Stands with low numbers are closer to the Wharfedale Entrance.
- Stands with high numbers are closer to the Littondale Entrance.

The Worldwide Creative Project

We love bringing people together to help create our woolly installation each year. It never ceases to amaze us when people respond from so far around the world. Back in 2013, our first creative challenge was woolly bunting. It is still brilliant adorning the auction mart with these woolly triangles each year, and still a joy to see visitors light up as they spot theirs for the first time.

This year we wanted everyone to get involved, making both before the show and during, using oddments of yarny leftovers ensuring waste is minimised and all the yarn is used.

Join us at **H21-22** and help us to woolly up the auction mart, or just enjoy this year's installation - look for the dots you sent and admire those made by many creative folk from across the globe.

UNICEF is the United Nations Children's Fund. A child rights organisation established in 1946. They reach more children than anyone else.

When an emergency strikes, they are ready to respond – no matter where or when. Their global network helps families and communities to withstand crises, recover, and prepare for the future.

UNICEF provides more children with clean water, life-saving therapeutic food and vaccines, education and protection from violence than any other humanitarian organisation.

They work in more than 190 countries and territories and in the world's toughest places, to reach children and young people in greatest need.

Let's help them work to build a better world for every child.

Ewemake

Ewemake meet year round and make socks together. They are at **A18** with all the splendid socks they've made. Have a go on their infamous tombola to help them raise funds for Martin House Children's Hospice.

Yarndale Meet & Make

Throughout the year we hold **Yarndale Meet & Make** sessions offering a place for all to come and make together. Everyone is welcome to bring along their woolly projects and spend a cosy hour or so, chatting, crocheting, knitting and sharing.

Swapping tips and techniques, or stories of their day. Join us on Monday evenings in Skipton Town Hall from 6.30pm – 8.00pm.

We're delighted to work with Skipton Town Hall to make these evenings happen.

Have a look at their year round programme:

www.skiptontownhall.co.uk

Chatty Corner at L19-20

We know people love to share ideas and their projects with other like minded folk at the show so here's a lovely spot for you to sit a while, meet and chat with others.

Share your tips for how best to enjoy a brilliant day at Yarndale, take a moment to chit chat with others.

Support for New Ventures

The Yarndale Start Up Bursary in Memory of Amanda Bloom & Jenny Machin

The bursary is designed to support creative businesses in their early ventures. A single stand at Yarndale is awarded each year to one successful applicant.

This brilliant opportunity enables them to gain show experience, getting their work seen at a large event, to work alongside other exhibitors and to meet visitors from across the UK and around the world.

Visit Amanda's friend, Julie Park at **I20** to chat through how to apply.

For more details and past recipients of the Bursary go to www.yarndale.co.uk

Wood, Stone, Feather & Bone

Sabina Aiuto, founder of Wood, Stone, Feather & Bone at **H19**, is the recipient of our 2026 Yarndale Start Up Bursary in Memory of Amanda Bloom and Jenny Machin.

Sabina is a needle-felting artist whose creations are inspired by woodland folklore and the quiet magic of the natural world. Working mainly with wool and natural fibres, she creates whimsical characters that feel as though they've wandered straight out of a mossy forest.

We are especially delighted that **Auspicious Stitch at H20 & Oxford Biocolours at C1**, previous Bursary recipients are joining us as exhibitors this year.

New Business

We're keen to support small businesses to take the first steps to exhibit at a large and wide reaching event.

We offer businesses new to Yarndale the opportunity to exhibit at a reduced rate.

Traditional Crafts and Making

Keen to keep traditional crafts alive we welcome the Guilds and making groups who will be happy to demonstrate their skills this weekend. Say hello & have a go.

Craven Guild of Lacemakers at B27-28

A small self-help group who make all types of lace including bobbin lace, needlelace and crochet. Visitors and new lacemakers always welcome.

Skipton Quakers and Grassington and District Peace Group at C2

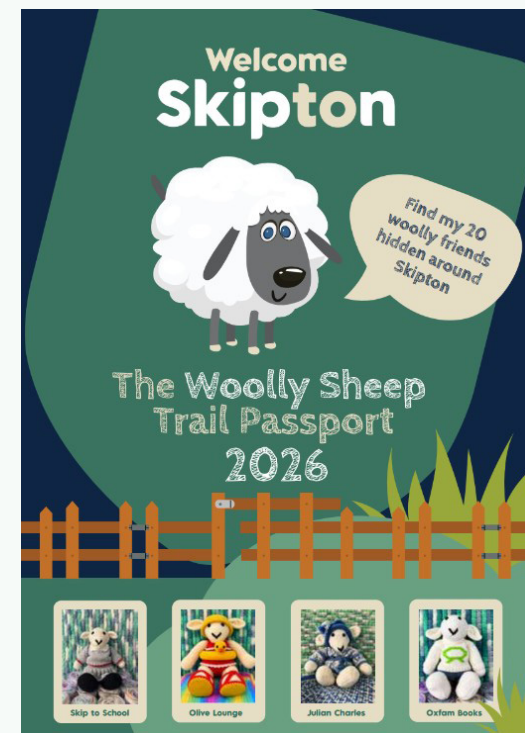

The stall is promoting the charity 'Knit for Peace'. You can sit peacefully for a time and maybe share in knitting white poppies or items for Knit for Peace.

Skipton Stitchers at C27-28

Our friendly community group is open to anyone with a passion for textiles and stitching/embroidery. We meet on the third Monday of the month and offer talks and workshops.

Skipton Sheep Trail

Pop into Craven Court in the town centre for a trail form.

Yorkshire Yarn Tellers at E6-9

We joined the Yorkshire Yarn Tellers at the **Great Yorkshire Show** meeting and chatting to so many people about making and wool.

Emma joined in knitting squares in the Wool Marquee and it's so brilliant seeing Fiona Drake's designs come to life from fleece to finished blanket in just four days each year.

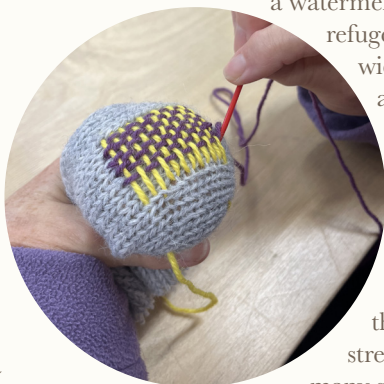

Making Space C31-40 & D34-40

A corner of the show with lots of opportunities to drop in, meet and make with others, learn new techniques and share experience.

Everyone of all ages and abilities welcome. All children must be accompanied by a responsible adult. All sessions are free to join in.

Join Craft for Climate, a community art project charting our changing climate in Yorkshire, and help create their next challenge: **Squaring The Risk** is a series of large-scale maps showing how climate change may affect us in the UK if we don't act now. Join in and crochet or knit a square in a single craft for climate colour.

See also **Knit the Stripes**, on p12.

Join **Lorna Johnstone**, of **Mending Magic** to learn how to mend fabric garments and celebrate the repair process. Lorna will cover patching with various techniques, darning (honeycomb and woven), and sashiko stitches. Bring your own clothes to repair (woolly or woven garments, denim or t-shirts all welcome!) or try the techniques on a variety of samples using the fabrics provided.

Knit for Abigail - come and knit a square to be made into blankets for refugees and asylum seekers, find out about the work of Skipton Refugee Support Group and rest while crocheting a watermelon. S.R.S.G support refugees in Skipton and the wider world and promote awareness of refugee issues. Abigail Housing is a West Yorkshire charity dedicated to providing support and homes to refugees and asylum seekers who find themselves destitute on our streets. Join in and knit as many squares as you like!

Gather round with the **North Yorkshire Yarn Trail** team making circles for our Worldwide Creative Project. Advice is on hand from these experienced makers if you need any help or tips on technique. Or just enjoy the opportunity for a social get together.

Intercultural Festival Celebrate the multilayers of cultures that make up our incredible communities and join them to see how they make and work as a group, weaving Bradford's rich mix of cultures, and the shared fabric of history that bind us all together.

Come and enjoy the relaxing art of cross stitch with **North Yorkshire Libraries**. This quick and easy activity might just spark your creativity and inspire you to create your own unique bookmark! With a fabulous range of embroidery threads in every imaginable colour and tapestry wool for sale.

Join **Share Skipton** and help make a more sharing, sustainable Skipton, and beyond!

Look out for the **Farfield Mill Textile Competition**.

The **Children's Corner** welcomes families across the weekend to make friendship bands and get creative with yarn.

Supported by Rowan Tree Travel & Fibercraft.

Live in The Lairage

Saturday: The Gatsbys, Yorkshire based acoustic music duo playing all your favourite tunes.

Sunday: The Ginjammers, just two guitars, two voices and a harmonica.

Performances at **11.45am, 1.30pm & 3.00pm**.

Plus pop up performances from **Drip Drip Theatre's** musical **Close Knit**.

Knitted Knockers

Knitted Knockers UK is a charity that provides knitted and crocheted breast prostheses for women in the UK who have undergone a mastectomy or lumpectomy.

Women who have undergone surgery are provided with silicone breast prostheses by the NHS, which some have found to be uncomfortable, heavy and may rub against the scars left after surgery, causing rashes and pain.

At Knitted Knockers UK we want women to know that there is a lightweight, 100% cotton alternative that takes the form of a real breast, is soft against the skin and is breathable.

We also provide a knitted prosthesis that is suitable for swimming and sports.

Why don't you come along and watch them demonstrate how its done?

Knit the Stripes

Connecting people through craft and climate action.

Craft for Climate is a community art project charting our changing climate in Yorkshire.

Yorkshire has a world-renowned textile heritage and vibrant creative sector. We are celebrating both with our bold and engaging art display, highlighting climate change trends through a powerful visualisation of our climate's warming.

Craft for Climate's first project (#knitthestripes) involved local crafters working in cohort to knit scarves displaying annual average temperature data charting the history of Yorkshire's changing climate from 1853 to 2024 – our very own climate stripes.

Each stripe or scarf (over 170 of them) shows the average temperature for that year, relative to the overall average. The cooler the year, the deeper the blue. The warmer the year, the deeper the red. The message is clear - our climate is changing - and the most rapid warming has occurred in recent years.

Over 3.5million stitches form this exhibit, each one an important part of our journey to spark positive climate conversations and show that every action matters.

Craft for Climate is a collaboration between **Sustainability Sorted** and **The Little Craft House**. Thanks also to Saltaire Women's Institute, Shipley Council, West Yorkshire Spinners, The Salt Foundation and The Men's Shed.

We are bringing businesses and communities together through craft and positive climate conversations. Our unique projects use creativity and colour to spread hope and empower change.

“As an industry, and as individual makers, we make choices. We have the chance to make better choices. Choices that are closer to home, more circular, and more connected. British wool has a place in our future”. *Jo Storie*

For more about why Jo works with British wool have a look here: www.yarndale.co.uk/story-of-our-yarn/

Sitting amidst the beautiful show fleeces, the fleece was carded, hand spun, and then knitted with the blanket finished just in time for the close of the show on Friday afternoon. We talked to so many people every day about the various uses for wool and the different skills involved. We even had Patrick Grant drop in to try his hand at spinning! You can see all five of our blankets on display at Yarndale in **E6-9**.

The Craft Firm is at **H11-12** if you'd like to know more about the blankets or would like to buy a pattern in aid of Field Nurse.

The Yarn Tellers

For five years now a group of friends, the Yorkshire Yarn Tellers, have got together in the Fleece Tent at the Great Yorkshire Show to take local sheep fleece and turn it into a beautiful lap blanket over the four days of the show. The aim is to demonstrate what can be made from fleece, how the gorgeous natural colours so easily work together, the traditional processes involved, and what an amazing resource natural wool really is.

Designed by Yorkshire based designer Fiona Drake (@hndnit) this year's Tree of Life blanket was made using the dark Zwartbles fleece from Rawlinshaw farm near Settle (@Rawlinshaw) and white Masham fleece from Brookside Farm in Tosside, a small village just a few miles away.

The Field Nurse Trust is a charity which started in 2016 to support mental health and well-being for those living in rural areas, and particularly the farming communities.

The 90 Day Wool Habit

On 1 October 2026 - the first day of Wool Month, the annual campaign led by the Campaign for Wool — Sarah Turner, founder of Little Beau Sheep, will begin wearing the same British wool dress every day for 90 consecutive days.

From that moment onwards, the dress becomes part of everyday life. For 90 days, Sarah will wear it through work, travel, family life, meetings and social occasions, documenting the experience honestly and publicly. The dress will be

worn through autumn and into winter, putting wool's temperature-regulating, odour-resistant and practical qualities to a real-world test.

The challenge asks a simple question: ***What happens when you commit to one well-made garment and actually live in it?***

The average consumer buys significantly more clothing today than previous generations, while many garments are worn only a handful of times before being discarded.

At the same time, British wool remains one of the UK's most underused natural materials despite being renewable, biodegradable and produced annually by farmers across the country.

The 90 Day Wool Habit explores whether choosing fewer, better garments could help reduce consumption, extend clothing life and reconnect people with the materials they wear every day. This is not about perfection. It is about asking better questions.

“We’re surrounded by messages telling us to buy more clothes, more often. I wanted to find out what would happen if I did the opposite. Could one well-made wool dress take me through work, travel, family life and special occasions for 90 days? And if it can, what does that tell us about the way we consume clothing?”

Sarah Turner, Founder, Little Beau Sheep

The 90 Day Wool Habit is an independent campaign by Little Beau Sheep, championing British wool farmers, makers and manufacturers.

Find out more: **littlebeausheep.com/90-day-wool-habit** and join Sarah on Sunday – see **Talks on p17**.

British Wool

Discover the Diversity of British Wool

When people think of wool, they often imagine a single fibre, but British wool tells a very different story.

The UK is home to more than 60 sheep breeds, producing one of the most diverse wool clips in the world.

Each breed has evolved to thrive in its local environment, creating wool with unique characteristics that make it suitable for a wide range of products, from next-to-skin knitwear to carpets, insulation and upholstery.

British Wool grades these fleeces into six main wool types, ensuring every fleece finds its best use.

No two fleeces are exactly the same. From the rolling downs of southern England to the rugged hills of Wales, Scotland and northern England, every fleece reflects the landscape, breed and farming heritage behind it.

Have a look at, and feel the difference at **E1-4**.

Across this inspirational weekend of woolly goodness come and join our brilliant speakers as they delve into the possibilities and adventures with wool.

Saturday 26th September - 13.30

Corks, Spools, and Nancies: an exploration of French Knitting and its recent comeback.

with Sophie Hurden, *A Spring Snowflake*

Explore the history of spool knitting, sometimes known as French knitting or corking; a technique of creating thin knitted tubes using a spool with a number of nails or pegs. Watch demonstrations and get your hands on a variety of handmade and commercial spools, and cranked knitting mills, and discuss uses for the end product.

Saturday 26th September - 15.00

Hooked on Yarn, Game of Wool

with Ailsa Stephen, Gordon Cree, Stephanie Thompson and Tracy Callaghan

Meet Ailsa, Gordon, Stephanie and Tracy, familiar faces from the inaugural TV programme Game of Wool. Ailsa will share examples of her meticulous vintage knitting, while Gordon talks about his passion for Fair Isle, colourwork and, of course, steeking. Stephanie will tell the story behind her spectacular peacock jacket, and Tracy will share her experiences of knitting, crochet and the art of procrastination. Guaranteed to be an entertaining and informative chat, packed with stories, laughs and plenty of woolly moments.

Sunday 27th September - 13.30

Woolly Business: From Dales Farms to Wardrobe and Beyond

with Edward Sexton, *Glencroft*, and Sarah Turner, *Little Beau Sheep*

The Journey of the Fibre

Edward Sexton from Glencroft shares the step-by-step journey of Clapdale Wool, sourced directly from Yorkshire Dales farms within 5 miles of his Clapham home. Edward takes you through the fascinating process - and economics - of turning raw fleeces into finished yarn, knitwear, and tweed, all within 50 miles of the sheep.

Innovation, Care & Beyond

Sarah Turner from Little Beau Sheep picks up the story, exploring creative ways to use British Wool beyond the traditional sweater - from felted soaps to dryer balls. She will share practical tips on caring for, airing, and storing your woollies so they last a lifetime. Finally, Sarah shares a preview of her upcoming '90-Day Wool Habit' challenge, proving just how versatile, durable, and sustainable British wool really is for modern everyday living.

Sunday 27th September - 15.00

Creative Approaches to Climate Action

with Jody Harris, *Craft for Climate*

Craft for Climate is a community art project charting our changing climate. Over the past three years they have crafted with hundreds of people across Yorkshire to spread their message of climate optimism and the belief that every action matters. Their Knit the Stripes display has been seen by over 10,000 people at events across the region and they continue to champion creative engagement approaches to climate communication through their second installation - Square the Risk - currently in development at Yarndale. See Knit the Stripes on **p12**.

Best Stand 2025

Each year we take great pleasure awarding the Best Stand at the show. In 2025 we chose The Knitting Shed, a beautifully simple layout and lovely design.

We are Louise and Nicola, from a family that encouraged us to make and create. If you saw something you wanted first of all you tried making it yourself.

We remember balsa wood gipsy caravans, crystal radio sets and model boats. We made our own clothes, Nicola sewing her first skirt, aged eight, in sky blue polka dots with enormous pockets and Louise teaching herself to knit in an era before YouTube, big shouldered mohair jumpers in primary colours. Aspirations but very little style! We worked as Saturday girls in the village haberdashery spending all our earnings on ambitious new projects which were rarely finished.

In between we've both had creative careers. Louise as Nursery Manager, propagating rare plants, Nicola as a freelance Food Stylist.

Life changed. Vicky, our sister-in-law, who set up The Knitting Shed after going through cancer treatment died and Louise who had been diagnosed in the same year took up the reigns, experimenting with hand dyes and creating rich saturated colour. Gradually we introduced our own pattern support. This year we've launched our new look with fabulous skein labels and a stylish logo.

We now live in impractical period cottages on the edge of the South Downs. Avidly knitting, sewing and growing our own vegetables. Beautiful local views spark new ideas and inspire our dyeing and patterns.

Elsie Scarf

Stitches used in this pattern

UK terms throughout.

sl st (slip stitch) - This is used to join new yarn. Usually at the start of a round or to fasten off. Insert hook into where you are going to slip and yarn over then pull the loop back through the stitch (or chain space) and pull the loop through the loop on your hook.

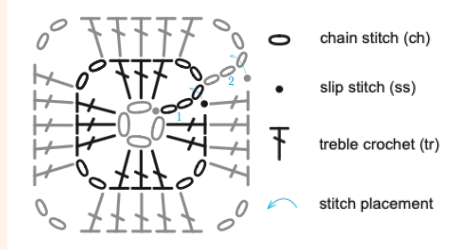

ch (chain) - Yarn over and pull through loop on the hook. Creates a chain.

tr (treble) - Yarn over. Insert hook through stitch, yarn over and pull the loop back through the stitch. You will have 3 loops on your hook. Yarn over and pull through 2 loops on your hook. Yarn over again and pull through the remaining 2 loops.

dc (double) - Insert hook through stitch, yarn over and pull the loop back through the stitch. You will have 2 loops on your hook. Yarn over and pull through both loops on your hook.

To make the tiny Elsie Granny Square you will need to use a 3mm hook and any Yarndale Sock Yarn.

Emma uses 60g of Tristen and 60g Maude to make a 1 metre long scarf. If you'd like a longer scarf then make as many squares as you like until the desired length. If you use 2 x 100g balls then you should be able to make a scarf approximately 1.5 metres long and 15cm wide.

The trick to the individual coloured squares is to start each square at the beginning of the colour change in the ball of wool.

Using UK crochet terms.

To start:

Make a slip knot and **ch4**. Join to make a circle.

Round 1:

In this round you will be working into the middle of the chain circle. **ch5** then ***3tr, 2ch*** into the chain circle 3 times. **2tr** and join with a **sl st** into the space between starting **ch5** and first **3tr** cluster. Do not fasten off.

Round 2:

Ch 5 then **1tr** into the same corner space. ***1tr** into the top of each **tr** from round 1 (3 in total). In next corner space **1tr, 2ch, 1tr*** Repeat **** 2** times.

1tr into the top of next 3 **tr** then join with a **sl st** into the corner space created by the **ch5** at the beginning of the round and fasten off. **Fig 1.**

First square completed. **All subsequent squares are joined as you go.**

Start the second square in a new colour by completing Round 1 as above.

Then start Round 2 as follows:

- ch5** then **1tr** into the same corner space. ***1tr** into the top of each **tr** from round 1 (3 in total). In next corner space **1tr, 1ch** then **1ch** through any corner chain space of the first square and **1tr**. **Fig 2.**
- 1tr** into the top of each **tr** from round 1 (3 in total). In next corner space **1tr, 1ch, 1ch** through the next corner chain space of the first square and **1tr**. **Fig 3.**

Complete Round 2 by working **1tr** into the top of each **tr** from round 1 (3 in total). In next corner space **1tr, 2ch, 1tr**. Repeat pattern for last side of the square replacing the last **tr** with a **sl st** to join and fasten off.

So the second square joins to the first square at 2 corners. Repeat for the next 3 squares until you have your first row of 5 squares joined.

Start the second row of squares by joining the first square of this row as above. **Fig 4.**

Fig 1

Fig 2

Fig 3

Fig 4

Once you have added the first square to the second row you will need to join squares at 4 different points as in **Figs 5-8**.

Each time using one of your corner chain stitches through the adjacent square's corner.

Border:

Using a contrasting yarn, Emma uses West Yorkshire Spinners Signature 4ply in Pacific. The pattern uses only about 5g.

The border works one **dc** into the top of every tr and into every ch space (corners of your tiny Elsie squares) with a **ch** between each square.

So ***7dc 1ch*** repeated along the sides with **3ch** into the corners of the scarf.

You can block your scarf or leave it so that the squares pop. Perfect for autumn mornings and keeping out the chill.

Sheepy Hug

We're so thrilled to be working with Sue Stratford Knits on A Yarn Dale Flock, a new collection of gorgeous patterns designed by Sue Stratford. It's been such a pleasure working on this woolly venture with Sue, we hope you love our comforting Sheepy Hug as much as we do.

This little sheepy is perfect to sit on the edge of a shelf. You could also add a coin in the base to make him more stable. I used double pointed needles, as they are shorter and perfect for small projects. The arms and legs are made using the i-cord technique which you will need the dpns for.

Abbreviations

K - Knit

Kfb - Knit into the front and back of the stitch, making one extra stitch

M1 - Make one stitch (see techniques)

P - Purl

ssK - slip 2 sts knitwise one at a time, pass the 2 slipped stitches back to the left needle, knit both stitches together through the back of the loop

SS - Stocking stitch

st(s) - stitch(es)

tog - together

tbl - through the back of the loop

Techniques: I-cord

To make an i-cord, cast on your stitches using a double pointed needle, knit them and slide to the other end of the same needle, pull the yarn across the back of the

needle and knit the stitches again. Repeat these instructions until the cord is long enough.

Make One Stitch

Pick up the 'bar in-between your stitch and the following stitch. Slip the loop of yarn onto your left hand needle and knit (or purl) through the back of the stitch.

Three Needle Cast-off

Divide stitches evenly between two needles and fold in half, with right sides together. Using a third needle, knit the first stitch from each needle together. Now knit the next stitch from each needle together. Cast off the first stitch in the usual way by lifting it over the second stitch. Repeat until all stitches have been cast off.

Materials

- Small amount of cream and coloured 4-ply (fingering weight) yarn
- 3mm (UK 11, US 2 or 3) double pointed knitting needles
- Toy Filling
- Two 3mm black beads
- Black thread for embroidery

Notions

- Darning needle
- Scissors

Tension

Approximately 26 sts to 10cm (4in) measured over SS using 3mm (UK11, US2 or 3) knitting needles.

Finished size

6.5cm (2 1/2") from base to top of head.

Head

Using cream yarn cast on 9 sts and purl 1 row.

Next row: K1, M1, K3, M1, K1, M1, K3, M1, K1. (13 sts)

Purl 1 row.

Next row: K1, M1, K4, M1, K3, M1, K4, M1, K1. (17 sts)

Purl 1 row.

Next row: K1, M1, K to last st, M1, K1. (19 sts)

Purl 1 row.

Next row: K8, M1, K3, M1, K8. (21 sts)

Starting with a purl row, work 3 rows in SS.

Next row: K1, ssK, K5, K2tog, K1, ssK, K5, K2tog, K1. (17 sts)

Next row: P1, P2tog, P3, P2togtbl, P1, P2tog, P3, P2togtbl, P1. (13 sts)

Divide remaining stitches so that you have 6 sts on one needle and 7 sts on the other and, with RS together, use a third needle to cast off using the three needle cast off technique until you have 1st remaining. Cast off remaining stitch. Thread yarn through remaining stitch to finish.

Body:

Using cream yarn cast on 12 sts and knit 6 rows.

Next row: K2, M1, K to last 2 sts, M1, K2. (14 sts)

Knit 3 rows.

Repeat last 4 rows, three more times. (20 sts)

Knit 2 rows.

Cast off 8 sts at the beginning of the next two rows. (4 sts)

Next row: K1, M1, K to last st, M1, K1. (6 sts)

Next row: P1, M1, P to last st, M1, P1. (8 sts)

Starting with a knit row, work 4 rows in SS.

Next row: K1, ssK, K to last 3 sts, K2tog, K1. (6 sts)

Purl 1 row.

Cast off.

Ear: (make two)

Using cream yarn, cast on 4 sts and, starting with a purl row, work 3 rows in SS.

Next row: ssK, K2tog

Without turning work, pass right hand stitch over left hand stitch to cast off.

Thread yarn through remaining st to fasten.

Leg: (make two)

Using cream yarn cast on 4 sts and, using the i-cord technique, work 8 rows.

With RS facing.

Next row: K1, M1, K2, M1, K1. (6 sts)

Next row: P2, M1, P2, M1, P2. (8 sts)

Knit 1 row.

Divide remaining stitches evenly between two needles and, with RS together, use a third needle to cast off. Thread yarn through remaining stitch to finish.

Arm: (make two)

Using cream yarn cast on 4 sts and, using the cord technique, work 8 rows.

Thread yarn through remaining sts to finish.

Heart:

* Using coloured yarn of your choice, cast on 2 sts.

Next row: (Kfb) twice. (4 sts)

Purl 1 row.

Next row: K1, M1, K to last st, M1, K1. (6 sts)

Purl 1 row.

Repeat last 2 rows twice more. (10 sts)

Starting with a K row, work 2 rows in SS.

Next row: K1, ssK, K to last 3 sts, K2tog, K1. (8 sts)

Next row: P2, P2togtbl, turn. (3 sts)

Next row: K1, K2tog. (2 sts)

Without turning work, pass right hand stitch over left hand stitch to cast off.

With WS facing, rejoin yarn to remaining 4 sts and work as follows:

Next row: P2, P2tog. (3 sts)

Next row: K1, ssK. (2 sts)

Without turning work, pass right hand stitch over left hand stitch to cast off. *

Repeat from * to * to make second side.

Making up:

Taking the head, stuff with toy filling and sew the seam which will be underneath the head. Using the pictures for guidance, sew the beads in place for eyes and embroider the mouth using black thread.

Taking an ear, fold in half at the cast on edge and sew together to give the ear shape. Using the pictures for guidance sew the ears in place.

Taking the body, sew the back seam and stuff with toy filling. Fold the base up and sew in place. Firmly sew the head to the body, matching the back seams.

Taking a leg, sew the small seam at the back of the foot. Repeat for the second leg. Using the pictures for guidance, sew the legs in place at the base of the body. Sew each arm in place, using the pictures for guidance.

Taking the heart, sew the seam round the edge, placing a small amount of toy filling inside to add definition.

Place the heart on the front of the body and when you are happy with it's placement, sew the arms in place to 'hold' it. I also sewed through the heart to the back of the body to ensure it was secure.
